

Getting Ready in Indian Country: Emergency Preparedness for Native American Cultural Resources
INVENTORY OF DISASTER RESOURCES FOR CULTURAL HERITAGE

Topics Addressed	Title	URL	Author	Year	Type of Resource	Description
Emergency Management	California Tribal Emergency Management/Homeland Security	http://www.calema.ca.gov/WebPage/oeswebsite.nsf/Content/DF7E920749E35672882576260057F37F?OpenDocument	California Emergency Management Agency and Inter-Tribal Council of California, Inc.		Model Program	The purpose of CTEMHS is to enhance and develop the emergency management /homeland security capabilities of tribal governments for the preservation of life, land, and culture.
Emergency Management	California Tribal Nations Emergency Management Council	http://www.naaep.org/CTNEMC.html	Native American Alliance for Emergency Preparedness	2003	Model Program	The California Tribal Nations Emergency Management Council (CTN-EMC) was created to increase the capacity of all California Tribal Nations to develop and sustain programs for all-hazards management through the use of education, information sharing, training, and technical assistance.
Emergency Management	Lessons Learned Information Sharing	https://www.llis.dhs.gov/index.do	Federal Emergency Management Agency		Web site	Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. LLIS.gov provides an online network of lessons learned, best practices, and innovative ideas for the emergency management and homeland security communities.
Emergency Management	Recommended Professional Emergency Management Training (for staff of cultural heritage institutions)	http://www.heritagepreservation.org/lessons/courses.html	Heritage Preservation		Training	This site offers a list of free courses, most offered through FEMA's Independent Study Service, that teach official protocols and structure, terminology, and key local contacts for emergency response, whether students are assisting their own institutions or serving as part of a volunteer team.
Emergency Management Mitigation Planning	Preparing to Preserve	http://www.heritagepreservation.org/PreparingtoPreserve.html	Heritage Preservation	2008	Publication (Download and Print)	"Preparing to Preserve" has three products: an Action Plan for integrating historic preservation concerns into emergency management systems, primarily at the state and local level; an "Emergency Planning Model Checklist for Historic Preservation"; and a "1-2-3 Guide to Building Relationships with Emergency Officials."
Emergency Management Planning	Alliance for Response	http://www.heritagepreservation.org/AfR/index.html	Heritage Preservation		Model Program	Alliance for Response is a national program on cultural heritage and disaster management. Through a series of local Forums, it builds bridges between the cultural heritage and emergency response communities before disasters happen. The Forums lead to new partnerships, policies, and cooperative planning efforts.
Emergency Management Planning	Coordinated Statewide Emergency Preparedness (COSTEP)	http://costepma.groupieguide.com/	Northeast Document Conservation Center		Model Program	COSTEP is a planning tool designed to bring together cultural resource institutions with emergency management agencies and first responders. It provides a blueprint for preparing for area-wide disasters and building alliances with federal, state, and local emergency management agencies.
Emergency Management Planning	Intergovernmental Preparedness for Essential Records	http://www.statearchivists.org/iper/	Council of State Archivists	2010	Training	The IPER project consists of Web- and CD-based training for state and local governments nationwide on Records Emergency Preparedness and Response. Teams that deliver the training in each state can insert state-specific information into the established curriculum, including resources for tribal staff.
Emergency Management Response and Recovery	National Response Framework Resource Center: Glossary	http://www.fema.gov/emergency/nrf/glossary.htm	Federal Emergency Management Agency	2008	Web site	This reference document contains definitions of key terms as they are applied within the National Response Framework (NRF). The NRF establishes a comprehensive, national, all-hazards approach to domestic incident response.

Getting Ready in Indian Country: Emergency Preparedness for Native American Cultural Resources
INVENTORY OF DISASTER RESOURCES FOR CULTURAL HERITAGE

Topics Addressed	Title	URL	Author	Year	Type of Resource	Description
Emergency Management Tribal	Emergency Management Institute: Training for Tribal Representatives	http://www.fema.gov/government/tribal/training.shtm	Federal Emergency Management Agency		Training	FEMA offers courses for tribal leaders and representatives on emergency management principles, operations, and systems: 580 Emergency Management Framework for Tribal Governments E581 Emergency Management Operations for Tribal Governments E344 Mitigation for Tribal Officials IS 650 Building Partnerships with Tribal Governments is designed for state and local emergency managers who work with tribal governments.
Emergency Management Tribal	FEMA National Advisory Committee Tribal Subcommittee	http://www.fema.gov/government/tribal/index.shtm	Federal Emergency Management Agency	2010	Policy	FEMA is developing a detailed plan of action to implement Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, signed in 2010 and designed to establish regular and meaningful tribal consultation and collaboration. Existing policies and programs will be reviewed and revised as well.
Funding	Before and After Disasters: Federal Funding for Cultural Institutions	http://www.heritagepreservation.org/PDFS/Disaster.pdf	Heritage Preservation	2005	Publication (Download and Print)	Provides information on 15 federal grant and loan programs to help cultural institutions and historic sites prepare for and recover from disasters. Many programs do not fund government agencies but might apply to private 501(c)(3) tribal museums, archives, libraries, or culture centers.
Funding	Foundation Grants for Preservation in Libraries, Archives, and Museums	http://www.loc.gov/preserv/foundtn-grants.html	Library of Congress	2010	Publication (Download)	This publication lists 2,270 grants of \$5,000 or more awarded by 505 foundations since 2005. It covers grants to public, academic, research, school, and special libraries, and to archives and museums for activities related to conservation and preservation, including disaster recovery and fire suppression.
Funding	Guide to Navigating Federal Emergency Management Agency and Small Business Administration Disaster Aid for Cultural Institutions	http://www.heritagepreservation.org/federal	Heritage Preservation	2008	Publication (Download and Print)	This booklet includes a summary of federal recovery funding regulations as they affect cultural heritage resources; state emergency management agency contact information; reprints of relevant FEMA, SBA, and Internal Revenue Service (IRS) policies and procedures; and two copies each of required FEMA, SBA, and IRS forms.
Funding	Institute of Museum and Library Services Grants for Federally Recognized Native American Tribes	http://www.imls.gov/applicants/institution.shtm#tribe	Institute of Museum and Library Services	2010	Web site	The Institute of Museum and Library Services is the primary source of federal support for the nation's libraries and museums. Several types of grants are available to federally recognized tribal nations.
Funding	Preservation Assistance Grants	http://www.neh.gov/grants/guidelines/pag.html	National Endowment for the Humanities	2010	Web site	Preservation Assistance Grants help small and mid-sized institutions such as libraries, museums, historical societies, archival repositories, cultural organizations, town and county records offices, and colleges and universities improve their ability to preserve and care for their humanities collections.
Funding Response and Recovery	Disaster Assistance Policy 9524.6 Collections and Individual Object Eligibility	http://www.fema.gov/government/grant/pa/9524_6.shtm	Federal Emergency Management Agency	2008	Policy	This policy outlines the criteria by which FEMA determines the eligibility of collections and individual objects, and the eligible work and costs related to the treatment of these collections and individual objects. The policy is applicable to all major disasters declared by the President.

Getting Ready in Indian Country: Emergency Preparedness for Native American Cultural Resources
INVENTORY OF DISASTER RESOURCES FOR CULTURAL HERITAGE

Topics Addressed	Title	URL	Author	Year	Type of Resource	Description
Funding Tribal	National Park Service Tribal Heritage Grants	http://www.nps.gov/history/hps/tribal/	National Park Service		Web site	The National Historic Preservation Act of 1966 authorizes grants to Federally recognized Indian tribes for cultural and historic preservation projects. These grants assist Indian Tribes, Alaskan Natives, and Native Hawaiian Organizations in protecting and promoting their unique cultural heritage and traditions.
Mitigation	City of Tulsa Multi-Hazard Mitigation Plan: Historic Preservation and Cultural Resources Annex	http://www.preservationnation.org/resources/training/npc/additional-resources/2008-tulsa/session-handouts-tulsa/Expect-the-Worst-Flanagan-2008-NTHP-Conference-Presentation.pdf	City of Tulsa, OK	2009	Model Program Policy	The annex provides 5-year guidance for ensuring that the city of Tulsa and other partners implement mitigation activities that preserve and enhance the community's historic and cultural resources. The planning process has included Oklahoma's tribal nations.
Mitigation	Disaster Mitigation for Historic Structures: Protection Planning	http://www.1000friendsofflorida.org/PUBS/HistoricalDisater/ManualFinal.pdf	1000 Friends of Florida; Florida Department of State, Division of Historical Resources; Florida Division of Emergency Management	2008	Publication (Download and Print)	The manual's focus is on actual mitigation options for historic structures, identified and evaluated by historic preservation and emergency management professionals, building code officials, and engineers. The manual makes the selection of appropriate mitigation solutions for historic properties easier and more timely.
Mitigation	Integrating Historic Property and Cultural Resource Considerations into Hazard Mitigation Planning (FEMA 386-6)	http://www.fema.gov/plan/ehp/hp/fema386-6.shtm	Federal Emergency Management Agency	2005	Publication (Download and Print)	This publication shows communities, step-by-step, how to develop and then implement pre-disaster and mitigation planning strategies for their historic properties and cultural resources. While the emphasis is on the built environment, this guide also addresses the mitigation of cultural heritage, including museum collections, works of art, books, and documents.
Mitigation	Protect Your Property or Business from Disaster	http://www.fema.gov/plan/prevent/howto/index.shtm#4	Federal Emergency Management Agency	2009	Web site	This Web site offers an index to FEMA publications available to order or download about mitigating potential property damage from all-hazards, earthquakes, fire, flooding, and high winds. Most resources are 2-page information sheets.
Mitigation Planning	MayDay	http://www.heritagepreservation.org/PROGRAMS/TFlessons/MayDay.html	Heritage Emergency National Task Force		Model Program	MayDay is a national initiative that encourages archives, libraries, museums, and arts and historic preservation organizations to do "one thing" for emergency preparedness. Tribal historic preservation officers are invited to participate annually.
Mitigation Response and Recovery	Disaster Mitigation Planning Assistance Website	http://matrix.msu.edu/~disaster/	Library of Congress Preservation Directorate, Center for Great Lakes Culture, and California Preservation Program		Web site	This Web site contains sample resources and disaster plans contributed by cultural institutions to assist in emergency planning.
Planning	Building an Emergency Plan: A Guide for Museums and Other Cultural Institutions	http://www.getty.edu/conservation/publications/pdf_publications/emergency_plan.pdf	Getty Conservation Institute	1999	Publication (Download)	This guide offers a disaster planning manual with case studies. Available as a PDF.
Planning	CCI Notes	http://www.cci-icc.gc.ca/crc/notes/index-eng.aspx	Canadian Conservation Institute	1995	Publication (Download)	The CCI Notes provide Practical advice about issues and questions related to the care, handling, and storage of cultural objects, including emergency preparedness. Many Notes are illustrated, and provide bibliographies as well as suggestions for contacting suppliers.

Getting Ready in Indian Country: Emergency Preparedness for Native American Cultural Resources
INVENTORY OF DISASTER RESOURCES FOR CULTURAL HERITAGE

Topics Addressed	Title	URL	Author	Year	Type of Resource	Description
Planning	Curatorial Safety Messages	http://www.nps.gov/history/museum/safety/index.htm	National Park Service Museum Management Program	2005	Publication (Download)	Safety messages include: Annual Fire Extinguisher Training, Fire Evacuation, and Proper Lighting for Museum Safety.
Planning	Disaster Planning for Florida's Historic Resources	http://www.1000fof.org/PUBS/disaster/manual2.pdf	1000 Friends of Florida; Florida Department of State, Division of Historical Resources; Florida Division of Emergency Management	2006	Publication (Download and Print)	This handbook outlines steps to integrate historic resource protection into the local disaster planning process.
Planning	dPlan: Online Disaster Planning Tool	http://dplan.org/	Northeast Document Conservation Center	2006	Publication (Download and Print)	dPlan is a free online tool that simplifies the process of writing a disaster plan by using a comprehensive fill-in-the-blank template. Once completed, dPlan generates a printed disaster plan specific to the institution, and it can be updated continuously.
Planning	CalPreservation Emergency Preparedness and Response Resources	http://calpreservation.org/disasters/	California Preservation Program	2005	Web site	This site provides a Generic Disaster Workbook to assist institutions in writing disaster plans, a sample Library Disaster Plan Exercise, and a Disaster Plan Template.
Planning	Museum Handbook, Part I: Museum Collections, Chapter 10: Emergency Planning	http://www.nps.gov/history/museum/publications/MHI/mushbkl.html	National Park Service	2000	Publication (Download and Print)	This document provides guidance on, and outlines procedures for, the care and preventive conservation for all disciplines and materials represented by NPS collections. Much of the information, particularly about emergency planning, applies to collecting institutions of all types.
Planning	Plan Ahead	http://www.fema.gov/plan/index.shtm	Federal Emergency Management Agency	2009	Web site	Plan Ahead is FEMA's main Web page for links to tools and publications to help individuals, property owners, and businesses prepare for disasters.
Planning	Weather Safety Fact Sheets: Hurricanes, Floods, Thunderstorms, Winter Storms	http://www.nws.noaa.gov/om/brochures.shtml	National Oceanic and Atmospheric Administration (NOAA)		Publication (Download)	NOAA has many brochures and outreach materials to increase the public's awareness of weather safety and emergency preparedness. Many of the tips in these brochures apply to cultural resources.
Planning Response and Recovery	Campbell Center	http://www.campbellcenter.org/pages/collections.html#emergencyprep	Campbell Center		Training	This training center offers an annual course on emergency preparedness, response, and recovery that also includes hands-on salvage.
Planning Response and Recovery	Connecting to Collections: Guide to Online Resources	http://imls.gov/collections/resources/prepare_resp.htm	Institute of Museum and Library Services	2009	Web site	The Guide to Online Resources is a companion to the IMLS <i>Connecting to Collections</i> Bookshelf, a core set of books, DVDs, online resources, and an annotated bibliography.
Planning Response and Recovery	Conserve O Grams	http://www.nps.gov/history/museum/publications/consveogram/cons_toc.html	National Park Service	1993-2009	Publication (Download and Print)	Conserve O Grams are leaflets containing concise guidance on security, fire, and disaster response and recovery from the collections care perspective.
Planning Response and Recovery	Emergency Preparedness and Response Toolkit	http://nmlm.gov/ep/	National Network of Libraries of Medicine	2009	Web site	The Toolkit is an emergency preparedness resource for libraries, including disaster stories, model assistance agreements sample disaster plans, and disaster news.

Getting Ready in Indian Country: Emergency Preparedness for Native American Cultural Resources
INVENTORY OF DISASTER RESOURCES FOR CULTURAL HERITAGE

Topics Addressed	Title	URL	Author	Year	Type of Resource	Description
Planning Response and Recovery	Emergency Response Resources	http://www.cdc.gov/niosh/topics/emres/flood.html	National Institute for Occupational Safety and Health	2009	Web site	This Web site provides links to information about hazards associated with storm and flood cleanup. The information is intended to help employers and workers prepare in advance for anticipated response activities and to prevent work-related injuries and illnesses in the field once rescue, recovery, and clean-up begin.
Planning Response and Recovery	Field Guide to Emergency Response	https://www.heritagepreservation.org/catalog/product.asp?IntProdID=33	Heritage Preservation	2006	Publication (Download and Print)	The Field Guide provides step-by-step instructions tailored to the scope of an emergency at cultural institutions. It includes advice for forming a response team, object salvage and stabilization, and a DVD showing salvage steps. The guide includes a Rapid Collections Assessment Form and a shopping list of essential supplies. Portions are available to view or print on the Web.
Planning Response and Recovery	Heritage Emergency National Task Force: Cooperative Disaster Network List	http://www.heritagepreservation.org/PROGRAMS/TFDisasterNetworks.html	Heritage Preservation	2010	Publication (Download)	A list of local cooperative disaster assistance networks across the U.S.
Planning Response and Recovery	Heritage Emergency National Task Force: Resources for Emergency Planning and Preparedness	http://www.heritagepreservation.org/PROGRAMS/TFPlanPrepare.html	Heritage Preservation	2010	Web site	A central source for cultural institutions and the general public about planning for disasters affecting cultural resources or family heirlooms. It contains information and tools to help you become familiar with possible hazards, develop emergency plans, train staff and volunteers, and get to know emergency responders.
Planning Response and Recovery	Heritage Emergency National Task Force: Resources for Response and Recovery	http://www.heritagepreservation.org/PROGRAMS/TFRespRecover.html	Heritage Preservation	2010	Web site	This Web site is a central source for cultural institutions and the general public about responding to disasters affecting cultural resources or family heirlooms. It contains resources for dealing with disasters and managing recovery efforts, including informational news releases and streaming 'how to' salvage videos.
Planning Response and Recovery	Primer for Disaster Preparedness	http://www.nps.gov/history/museum/publications/primer/primintro.html	National Park Service	1993	Web site	This primer discusses how to plan for, salvage, and care for paper objects in emergencies such as fire, flood, and earthquake.
Planning Response and Recovery	Natural Disasters: Preparedness, Planning and Response	http://www.preservationnation.org/resources/technical-assistance/disaster-recovery/	National Trust for Historic Preservation	2010	Web site	This Web site provides links to essential resources that can help historic preservation organizations, governments, or individuals prepare for and respond to natural disasters.
Planning Response and Recovery	Northern States Conservation Center	http://www.collectioncare.org/	Northern States Conservation Center		Training	This center offers online training courses for cultural heritage professionals that address emergency preparedness and response.
Planning Response and Recovery	Pocket Response Plan (PREP)	http://www.statearchivists.org/prepare/framework/prep.htm	Council of State Archivists	2006	Publication (Download and Print)	The Pocket Response Plan (PREP) [™] is a concise document for recording essential information needed by staff in case of a disaster. It can be customized for institutions and individuals, and it fits in a pocket or wallet. On one side is an Emergency Communication Directory with key contact information; the other side contains an Emergency Response Checklist.
